(K) nongovernmental organizations;

(5) coordinate Federal efforts directed toward

the growth and development of rural geographic re-

gions that encompass metropolitan and nonmetro-

politan areas;

(6) identify and facilitate rural economic oppor-

tunities associated with energy transitions, outdoor

recreation, and other conservation-related activities;

(7) identify common economic and social chal-

allenges faced by rural communities that could be

overcome through better coordination of existing

## Federal and non-Federal resources; and

(8) convene public hearings (including with the

power to call witnesses and request documents from

Federal agencies) on the state of rural areas in the

1       United States and the comprehensive strategy for  
2       rural development developed under paragraph (1).

3       (e) METRICS.—

4           (1) IN GENERAL.—Not later than 1 year after  
5       the date of enactment of this Act, the Chief Rural  
6       Advisor shall develop metrics to measure the effect  
7       of Federal programs on rural areas in the United  
8       States.

9           (2) REQUIREMENTS.—In developing the metrics  
10      under paragraph (1), the Chief Rural Advisor  
11      shall—

12           (A) develop a comprehensive list of feder-  
13       ally administered programs that are available to  
14       individuals, businesses, nonprofit organizations,  
15       units of local government, or other entities lo-  
16       cated in rural areas in the United States; and

17           (B) develop a comprehensive set of  
18       metrics, including—

### (3) AVAILABILITY OF DATA OF OTHER FEDERAL AGENCIES

(A) IN GENERAL.—For purposes of developing metrics under paragraph (1), the head of any other Federal agency shall provide to the Chief Rural Advisor, on request by the Chief Rural Advisor and at no cost to the Office, any data relating to the work of the Office collected by the Federal agency.

(B) PRIVACY AND SECURITY.—The Chief Rural Advisor shall take any necessary steps to maintain the privacy and security of data provided under subparagraph (A).

1           (f) REPORTS TO CONGRESS.—The Chief Rural Advi-  
2 sor shall—

3               (1) not later than 1 year after establishing the  
4 metrics under subsection (e), and not less frequently  
5 than annually thereafter—

6                   (A) prepare a report describing the effect  
7 that the programs on the list developed under  
8 subsection (e)(2)(A) have on rural areas, based  
9 on the metrics developed under subsection  
10 (e)(2)(B), with demographic breakdowns by  
11 race, age, and geographic region; and

12                   (B) submit to the Committee on Agri-  
13 culture, Nutrition, and Forestry and the Com-  
14 mittee on Appropriations of the Senate and the  
15 Committee on Agriculture and the Committee  
16 on Appropriations of the House of Representa-  
17 tives, and make publicly available, the report  
18 prepared under subparagraph (A); and

19               (2) not later than 1 year after the date of en-  
20 actment of this Act, and not less frequently than  
21 every 3 years thereafter, submit to the Committee  
22 on Agriculture, Nutrition, and Forestry and the  
23 Committee on Appropriations of the Senate and the  
24 Committee on Agriculture and the Committee on  
25 Appropriations of the House of Representatives the

1        comprehensive strategy for rural development devel-  
2        oped under subsection (d)(1).

3        (g) FUNDING.—This section shall be carried out  
4        using existing amounts otherwise available to the Execu-  
5        tive Office of the President.

3         gard to programs that address the needs of rural  
4         areas in the United States; and

5                 (6) develop plans and strategies to address the  
6         needs of rural areas in the United States.

7                 (f) PUBLIC OUTREACH.—Not less frequently than  
8         twice annually, the Council shall hold public meetings in  
9         a rural community for the purpose of—

10                 (1) soliciting feedback from the public, units of  
11         local government, Indian Tribes, and dislocated  
12         workers on concerns relating to the social, economic,  
13         and community well-being and resilience of rural  
14         areas; and

15                 (2) soliciting recommendations on actions the  
16         departments, agencies, and offices represented on  
17         the Council may consider to support the economic  
18         development of rural communities.

19 **SEC. 4. RURAL PROSPERITY ACTION PLAN.**

20                 (a) IN GENERAL.—The Secretary of Agriculture (re-  
21         ferred to in this section as the “Secretary”), in coordina-  
22         tion with the Under Secretary for Rural Development,  
23         shall develop a rural prosperity action plan (referred to  
24         in this section as the “action plan”), which shall describe  
25         the actions to be carried out by the Secretary for the pur-

1 poses of addressing the social, economic, and community  
2 well-being and resilience of rural areas in the United  
3 States by addressing unique structural challenges experi-  
4 enced by rural communities.

5 (b) COORDINATION.—Each activity carried out under  
6 this section shall be carried out in coordination with the  
7 Office of Rural Prosperity.

8 (c) ADMINISTRATIVE SUPPORT AND FUNDING.—The  
9 Secretary shall provide administrative support and fund-  
10 ing in the development of the action plan, to the extent  
11 permitted by law and using appropriations available to the  
12 Secretary as of the date of enactment of this Act.

13 (d) ACTIVITIES.—In developing the action plan, the  
14 Secretary shall—

15 (1) examine each rural development activity  
16 carried out by the Secretary as of the date of enact-  
17 ment of this Act; and

18 (2) identify regulatory and policy changes that  
19 could be made by the Secretary that would accom-  
20 plish the goals described in subsection (a), including  
21 changes that would—

22 (A) remove barriers to economic prosperity  
23 and quality of life in rural areas of the United  
24 States;

(B) strengthen and expand educational opportunities for students in rural communities, particularly in agricultural education, science, technology, engineering, and mathematics;

10 (D) respect the unique circumstances of  
11 small businesses that serve rural communities  
12 and the unique business structures and regional  
13 diversity of farms and ranches;

(E) ensure access to a reliable workforce and increase employment opportunities in rural-focused businesses, including agriculture;

17 (F) promote the preservation of family  
18 farms as they are passed from generation to  
19 generation;

20 (G) ensure that private property rights of  
21 water users are not encumbered when the water  
22 users attempt to secure permits to operate on  
23 Federal land;

(H) improve food safety and ensure that regulations and policies implementing Federal

1 food safety laws are based on science and ac-  
2 count for the unique circumstances of farms  
3 and ranches;

4 (I) encourage the production, export, and  
5 use of domestically produced agricultural prod-  
6 ucts;

7 (J) further the energy security of the  
8 United States in the rural landscape;

9 (K) address hurdles associated with access  
10 to resources on Federal land for rural commu-  
11 nities that rely on cattle grazing, timber har-  
12 vests, mining, recreation, and other multiple  
13 uses;

14 (L) identify and facilitate rural economic  
15 opportunities associated with energy develop-  
16 ment, outdoor recreation, and other conserva-  
17 tion-related activities; and

18 (M) coordinate and improve the effective-  
19 ness of Federal engagement with rural stake-  
20 holders, including agricultural organizations,  
21 small businesses, education and training institu-  
22 tions, health care providers, telecommunications  
23 services providers, research and land-grant in-  
24 stitutions, law enforcement, State, local, and  
25 Tribal governments, and nongovernmental orga-

1           nizations, regarding the needs of rural areas of  
2           the United States.

3       (e) SUBMISSION OF ACTION PLAN.—Not later than  
4       1 year after the date of enactment of this Act, the Sec-  
5       retary shall submit the action plan, including rec-  
6       ommendations for regulatory and policy changes identified  
7       under subsection (d)(2) that the Secretary considers ap-  
8       propriate, to—

9 (1) the Chief Rural Advisor;

18 (f) PROGRESS REPORT.—Not later than 1 year after  
19 the action plan is submitted in accordance with subsection

20 (e), the Secretary shall submit a report describing the  
21 progress of the Secretary in meeting benchmarks de-  
22 scribed in the action plan to—

23 (1) the Chief Rural Advisor;

- 1                   (3) the Committee on Appropriations of the  
2                   Senate;  
3                   (4) the Committee on Agriculture of the House  
4                   of Representatives; and  
5                   (5) the Committee on Appropriations of the  
6                   House of Representatives.
